

## About CommuniKids

Since 2005, CommuniKids has been a pioneer in providing language-immersion education to young children.

Our own approach, called Early Childhood Second Language ECSL® (pronounced "excel"), addresses these needs by preparing children for their K-12 education while developing multi-cultural competency and second language fluency. The hallmarks of the ECSL program are:

- Full immersion in the target language
- A warm and cohesive school environment
- A play-based approach
- A theme-based, integrated curriculum emphasizing global values

- Missed classes: We regret that we cannot offer refunds for missed classes; however, you can make-up your missed class by attending a class on a different day/time at either location.
- Teacher absence's related make-ups: When a teacher misses a class or CommuniKids needs to cancel a class, we will contact you to give you different options for a make-up
- Withdrawals: if you are unable to continue for any reason, please notify us in writing and we will refund any tuition remaining after the notice period has passed. Please note:
